

2024 Anna FFA Greenhouse Sale

The Anna FFA Greenhouse will operate as a hybrid sale again this year by offering both online pre-sale orders and pick-up, followed by walk-in hours if inventory remains. All online google order forms will be available on the Anna FFA Chapter Website at annaffa.com.

April 1st-15th

Online Custom Flower Pot Orders Accepted

Bring your flower pots to the FFA Greenhouse to have them planted! Fill out the online google form indicating your preferences and then drop your pots off at the Ag Department. We will create a design, plant your pots and then grow them until the first week of May. Plan to pick up your custom flower pot during one of the pick-up windows below. You only pay for the cost of plants and soil. Pricing is determined by the selection/amount of plants and quantity of soil used. *Due to space constraints, ordering will close after the first 100 custom flower pots.*

April 15th-30th

Online Greenhouse Pre-Sale Orders Accepted

The Anna FFA will accept pre-sale orders for hanging baskets, garden vegetables and flowers online via google forms. Once submitting the form, you will receive an invoice via email for your reference. Plants will be first-come, first-served based on the timestamp of your order. Orders will be organized and ready during the pick-up windows listed below.
